Celsion to Hold Third Quarter 2009 Financial Results Conference Call Tuesday, November 10, 2009

COLUMBIA, Md., Nov 06, 2009 (BUSINESS WIRE) -- Celsion Corporation (NASDAQ:CLSN), a late stage clinical oncology development company that is leveraging its heat activated liposomal technology platform to encapsulate and deliver high concentrations of proven chemotherapeutics, today announced that it will hold a conference call to discuss third quarter 2009 results at 11:00 a.m. Eastern Time on Tuesday, November 10, 2009. To participate in the call, interested parties may dial 1-877-852-6580 or 1-719-325-4751 (International) and use Conference ID: 2474093 to register ten minutes before the call is scheduled to begin. The call will also be broadcast live on the internet at <http://www.celsion.com>

The call will be archived for replay on November 10, 2009 at 2:00 p.m. and will remain available until November 17, 2009. The replay can be accessed at 1-888-203-1112 or 1-719-457-0820 (International) using Conference ID: # 2474093. The call will also be available on the Company's website, <http://www.celsion.com>, for 30 days after 2:00 P.M. on Tuesday, November 10, 2009.

About Celsion Corporation

Celsion is dedicated to the development and commercialization of innovative oncology drugs including tumor-targeting treatments using focused heat energy in combination with heat-activated drug delivery systems. Celsion has licensed ThermoDox^(R) to Yakult-Honsha for the Japanese market and has a partnership agreement with Phillips Medical to jointly develop its heat activated liposomal technology in combination with high intensity focused ultrasound to treat difficult cancers. Celsion has research, license, or commercialization agreements with leading institutions such as the National Institutes of Health, Duke University Medical Center, University of Hong Kong, Cleveland Clinic, and the North Shore Long Island Jewish Health System.
