Celsion Corporation Ceo Dr. Lawrence Olanoff Interviewed By Wall Street Reporter

Columbia, MD – November 3, 2005- Celsion Corporation (AMEX: CLN) today announced that Dr. Lawrence Olanoff, Chief Executive Officer, was interviewed by Wall Street Reporter earlier today.

In the interview, Dr. Olanoff elaborated on Celsion's transformation from a medical device company to biopharmaceutical company, solely focused on the development of drugs for the treatment of cancer. To access this interview, please visit Wall Street Reporter at <http://www.wallstreetreporter.com>.

Celsion has research, license or commercialization agreements with leading institutions such as the National Institutes of Health, Duke University Medical Center, Massachusetts Institute of Technology, Harbor UCLA Medical Center, Montefiore Medical Center and Memorial Sloan-Kettering Cancer Center in New York City, Roswell Park Cancer Institute in Buffalo, New York, and Duke University.
